SINGLE POINT OF SALE. INDUSTRY LEADING. BUILT FOR CHANGE.

With Comdata TotalSTORE powered by GK, you have an all-in-one solution for retail and fleet fuel operations.

CONTROL. IN *YOUR* HANDS.

TotalSTORE

SCALABILITY AND FLEXIBILITY IN A SINGLE POINT-OF-SALE SOLUTION.

Comdata TotalSTORE powered by GK provides you with a powerful point-of-sale system for your attendant checkout, self-checkout, or truck stop payments — all in a single, best-in-class solution.

FLEXIBILITY
Manage all your touch points from a single, API-powered system on the hardware of your choice.

SECURITY
Feature and security updates deployed to all your locations from a centralized location makes upgrading your stores seamless, efficient, and comprehensive.

AFFORDABILITY
Powerful, unified software at a much lower cost of entry for owners with fewer than 500 stores.

STREAMLINE YOUR OPERATIONS
Unify all your systems and improve your customer experience with a point-of-sale solution that is easily customized for your unique needs.

OUR COMMITMENT
As stewards of our business, community, and employees, we take our responsibility seriously. We're committed to not only better fuel management solutions for our customers, but contributing to the world we all share. The diversity of our employees improves our talent pool, and our environmental, social, and governance (ESG) initiatives both improve the performance of our company and improve the communities we serve. Our core values — Innovation, Execution, Integrity, People, Collaboration — are alive in our everyday culture and drive our commitment to act responsibly as we look into the future.
